

Lip Gloss

That Dog

Tie me down with dental floss
Tie me up with a love and say you miss me
'Cause I keep putting on lip gloss
And you won't kiss meKiss my lips, kiss, kiss, kiss, kiss me
Put your hands on my hips
Slap some of that bliss on me
Kiss, kiss, kiss my lipsRun your fingers through my locks
In a corner back me in and get me
'Cause I keep getting all lip glossed
And you won't kiss meLily white, cherry raspberry
Lip lover, Rachel Perry
Lily white, raspberry
Lip lover, Pachel Perry e-e-eRagged, young, possessed and sauced
Walk around all day and be a sissy
'Cause I keep putting on so much lip gloss
And you won't kiss me, kiss meKiss my lips, kiss, kiss, kiss, kiss me
Put your hands on my hips
Slap some of that bliss on me
Kiss, kiss, kiss my lips, kiss, kiss, kiss my lips
Kiss, kiss, kiss my lips, kiss, kiss, kiss my lipsI love you
