

If I Ain't Got You

Maroon 5

Yeah yeah, oh
Some people live for the fortune
Some people live for the fame
Some people live for the power yeah
Some people live just to play the game
Some people think that the physical things
Define what's within
And I've been there before
But that life's a bore
So full of the superficialSome people want it all
But I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything
If everything means nothing
If I ain't got you yeahSome people search for a fountain
Promises forever young
Some people need three dozen roses
And that's the only way to prove you love themHand me the world on a silver platter
And what good would it be
With no one to share,
No one who truly cares for meSome people want it all
But I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got you you youSome people want it all
But I don't want nothing at all
If it ain't you baby
If I ain't got you baby
Some people want diamond rings
Some just want everything
But everything means nothing
If I ain't got youIf I ain't got you with me baby
There ain't nothing in this whole wide world doesn't mean a thing
If I ain't got you with me baby yeah

Yeah!
