

# Alive

Khalid

Unread texts and missed calls  
Told everyone I turned my phone off  
Didn't ask for help and now I'm lost  
Life comes in phases  
Consequences and mistakes  
I'm sorry that it's taken me so long  
Mister, mister, please let off your power  
Give me half an hour, or better yet, a few  
Only sweet until it all goes sour  
But life is what you make it  
And then there's more to lose  
Gatekeeper, can you show me more to life?  
Lately, I've been living out of spite  
Grim reaper, just give me one more night  
I need another chance to say goodbye  
I shouldn't have to die to feel alive  
Here's the thing with disappearing  
You can yell and no one hears you  
Times like this, I need a ear  
When I finally have so much to say  
Wish I could see your face, oh  
And do what I have to stop the tears  
Sister, sister, please know that I'm sorry  
I wish you could've stopped me  
From falling off the hill  
Only sweet until it all goes sour  
Life is what you make  
It until it gets too real  
(It until it gets too real)  
Gatekeeper, can you show me more to life?  
Lately, I've been living out of spite  
Grim reaper, just give me one more night  
I need another chance to say goodbye  
I shouldn't have to die to feel alive
