Immortality (feat. Kristel Aaslaid)

Cartoon

I was not ready
To fall in like I'm wasted
My heart grows heavy
Don't taste me rushing
And keep your words naked
You got me blushingChorus:
And you forever I'll follow
You'll be my holy ground
You forever I'll follow
In immortality
I can't see you and me free
In immortality
I can't see you and me freeYou left me crying
And running through a ghost town
Alone and stranded
Why leave me hoping
And guessing for the answers
No place stays forbidden[Chorus]My mind faded
My body wasted
What we created
Must have been fatedJust promise me
ImmortalityI can't see you and me free
In immortality
I can't see you and me free
