

I'd Rather Have Fun

Walter Egan

Well, the shoutin' and the shootin'
Yeah, the shoutin' and the shootin'
Ooh, yeah, I don't know Well, I'm so tired of hearing
I'm so tired of hearing, I'm so tired of hearing
About the shoutin' and the shootin' When it's all said and done
I think I'd rather have fun Yeah, the lyin' and the cheatin'
Ooh, the lyin' and deceivin'
Ooh, yeah, I don't know, just don't know Well, I'm so tired of hearing
I'm so tired of hearing, I'm so tired of hearing
About the lyin' and the cheatin' When it's all said and done
I think I'd rather have fun, yeah
When it's all said and done
I think I'd rather have fun
Ooh, yeah Well, the talkin' and squawkin', yeah
The talk, talk, talkin' and squawkin'
Ooh, yeah, I don't know Well, I'm so tired of hearing
I'm so tired of hearing, I'm so tired of hearing
About the talkin' and the squawkin' I'm so tired of hearing
I'm so tired of hearing, I'm so tired of hearing
About the lyin' and the cheatin' I'm so tired of hearing
I'm so tired of hearing, I'm so tired of hearing
About the shoutin' and the shootin' When it's all said and done
I think I'd rather have fun
Come on, have fun When it's all said and done
I think I'd rather have fun, yeah
When it's all said and done
I think I'd rather have fun, yeah When it's all said and done
I think I'd rather have fun
Come on Ooh, rather have fun
Yeah, yeah, yeah, yeah
