

Trains I Missed

Balsam Range

V1

Hereâ€™s to the trains I missed, the loves I lost
The bridges I burned the rivers I never crossed
Hereâ€™s to the call I didnâ€™t hear, the signs I didnâ€™t heed
The roads I couldnâ€™t take the map that I just wouldnâ€™t read

CHORUS

Itâ€™s a big ole world but I found my way
From the hell and the hurt that led me straight to this
Hereâ€™s to the trains I missed

Instrumental break

V2

Iâ€™ve been a clown Iâ€™ve been a fool and I pushed on every chance
I searched far and wide tried to crawl out of Godâ€™s hand
But thereâ€™s stones I didnâ€™t throw and hearts I didnâ€™t break
And the little hope I held onto with a silver shining thread of faith

CHORUS

Itâ€™s a big ole world but I found my way
From the hell and the hurt that led me straight to this
Hereâ€™s to the trains I missed

Instrumental Break

V3

Hereâ€™s to the place I found, the love I know
The earth and the sky that I call home
And hereâ€™s to the things I believe, bigger than me
And the moment I find myself right where Iâ€™m supposed to be

LAST CHORUS

Itâ€™s a big ole world but I found my way
From the hell and the hurt that led me straight to this
Yeah, itâ€™s a big ole world but I found my way
From the hell and the hurt that led me straight to this
Hereâ€™s to the trains I missed.
