

# No One Else On Earth (club Mix)

Wynonna Judd

I've been a rock and I've got my fences  
I never let them down  
When it comes to love I keep my senses  
So I don't get kicked around  
I shivered once, you broke into my soul  
The damage is done now, I'm out of control  
How did you get to me

No one else on earth  
Could ever hurt me  
Break my heart the way that you do  
No one else on earth  
Was ever worth it  
No one could touch me like  
No one could love me like you

You can make me want you anytime you want to  
You're burnin' me alive  
I can't deny you even when I catch you  
Weaving a weak alibi  
Cause when the night falls, you make me forget  
Your love is killin' me, and it ain't over yet  
How did you get to me

No one else on earth  
Could ever hurt me  
Break my heart the way that you do  
No one else on earth  
Was ever worth it  
No one could touch me like  
No one could love me like you
