

I Don't Wanna Stop

Ozzy Osbourne

I don't know what they're talking about
I'm making my own decisions
This thing that I found ain't gonna bring me down
I'm like a junkie without an addiction
Mama don't cry I just wanna stay high
Like playing with danger or fear
Everybody's walking but nobody's talking
It looks a lot better from here
All my life I've been over the top
I don't know what I'm doing
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop
You're either in or in the way
Don't make me, I don't wanna stop
Why don't they ever listen to me?
Is this a one way conversation?
Nothing they say is gonna set me free
Don't need no mental masturbation
Too many religions for only one god
I don't need another savior
Don't try to change my mind, you know I'm one of a kind
Ain't gonna change my bad behavior
All my life I've been over the top
I don't know what I'm doing
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop
You're either in or in the way
Don't make me, I don't wanna stop
All my life I've been over the top
I don't know what I'm doing
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop
You're either in or in the way
Don't make me, I don't wanna stop
I don't wanna stop
I don't wanna stop
All my life I've been over the top
I don't know what I'm doing
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop
You're either in or in the way
Don't make me I don't wanna stop
All my life I've been over the top
I don't know what I'm doing
All I know is I don't wanna stop
All fired up, I'm gonna go till I drop
You're either in or in the way

Don't make me I don't wanna stop
