Your Love Won't Take Me Anywhere

Fury In the Slaughterhouse

I tell you complicated girls Are complicated lovers

And mostly later they become

Complicated mothers You say, you love me, I don't care

'Cause you're love won't take me anywhere

You're love won't take me anywhere, babeYou say, you love me, I don't care

'Cause you're love won't take me anywhere

Oh yeahCome on not another try

'Cause the time is really wasted

Crap declared as first class meal

And I paid before I tastedYou say, you love me, I don't care

'Cause you're love won't take me anywhere

You're love won't take me anywhere, babeYou say you love me, I don't care

'Cause you're love won't take me anywhere

Hmm, hmm, yeahEmpty tea cups and the look of angry mothers

A lonely angel hidden in between the others

With wings so white much to white to fly

A handicapped angel in a wheelchair passes by Soken wet I awake you are away

A smile comes in my face and suddenly I say

Jippee yo, jippeyay

Jippee yo, jippeyay

Jippee yo, jippeyayYou're love won't take me anywhere

You're love won't take me anywhere, babe

You say, you love me, I don't care

'Cause you're love won't take me anywhereAnywhere, anyhow

Yeah yeah, anywhere
