

# One Day

## Matisyahu

Sometimes I lay under the moon  
And thank God I'm breathin'  
Then I pray don't take me soon  
'Cause I am here for a reason  
Sometimes in my tears I drown  
But I never let it get me down  
So when negativity surrounds  
I know someday it'll all turn around because  
All my life I been waitin' for  
I been prayin' for, for the people to say  
That we don't want to fight no more  
They'll be no more wars and our children will play  
One day, one day, one day  
One day, one day, one day  
It's not about win or lose  
'Cause we all lose when they feed  
On the souls of the innocent, blood-drenched pavement  
Keep on movin' though the waters stay ragin'  
And in this maze you can lose your way  
It might drive you crazy, but don't let it phase you, no way  
No way  
Sometimes in my tears I drown  
But I never let it get me down  
So when negativity surrounds  
I know someday it'll all turn around because  
All my life I been waitin' for  
I been prayin' for, for the people to say  
That we don't want to fight no more  
They'll be no more wars and our children will play  
One day, one day, one day  
One day, one day, one day  
One day this all will change, treat people the same  
Stop with the violence, down with the hate  
One day we'll all be free and proud to be  
Under the same sun singing songs of freedom like  
One day, one day, oh  
One day, one day  
All my life I been waitin' for  
I been prayin' for, for the people to say

That we don't want to fight no more  
They'll be no more wars and our children will play  
One day, one day, one day  
One day, one day, one day
