

Worldwide: One

Audio Adrenaline

{ Worldwide One
This is Heathrow International
Continue to [incomprehensible], you're cleared to land }
Ooh yeah
You're gonna like this one, alright
Four corn-fed boys from the heartland
Brought together for some rock 'n' roll
From Kentucky, Minnesota, Missouri and Ohio
Tonight we're gonna put on a show, hey hey hey
It's been twelve years, the bus is still rollin'
People askin', why we sing?
We'll do it twelve more years from the rooftop screamin'
'Til the whole world knows your king
Woah
(We're gonna take it worldwide)
Woah
(Take you to the other side)
Woah
(Come on and go for a ride)
Woah
(Cause we're goin' worldwide)
Cincinnati to Miami, San Francisco to Seattle
From Hollywood to Buffalo
New York to Amsterdam, London, Paris, Vietnam
Tel Aviv to Tokyo
Woah
(We're gonna take it worldwide)
Woah
(Take you to the other side)
Woah
(Come on and go for a ride)
Woah
(Cause we're goin' worldwide)
C'mon
Oh yeah
Woah
(We're gonna take it worldwide)
Woah
(Take you to the other side)

Woah
(Come on and go for a ride)
Woah
(Cause we're goin' worldwide)
Ooh yeah
We're goin' worldwide
To the other side
We're gonna take it worldwide
Yeah, we're not afraid to go to the other side
You wanna go for a ride?
Come on
Tel Aviv to Tokyo
Let's go
