

Can't Stand It

Morcheeba

I never thought this would happen
That you would let me down
Taking all this for granted
I wanna shout aloud
Don't let it go
I want you to know I can't stand it when you look that way
I don't like it when you walk away
I can't stand it how we look to say you belong to me We're running round in circles
You're gonna lose it all
What we had was so good
You must think I'm a fool don't let it go
I want you to know
How can I take anymore? I can't stand it when you look that way
I don't like it when you walk away
I can't stand it how we look to say you belong to me If I knew then what I know now
You know that I would be around
How can I take anymore? I can't stand it when you look that way
I don't like it when you walk away
I can't stand it how we look to say you belong to me I can't stand it when you look that way
I don't like it when you walk away
I can't stand it how we look to say you belong to me
