Shut Up

The Coathangers

You said that you are tired, well I can use a brake through
Work my bagels to this, to me got a damn to show you
And I doubt that I have time to hear you out
You just need to bridge you rhyme
And just shut up, shut up, shut up, shut up, shut up, shut up, shut upYou've benn upset, yeah I've been crying too
You've been laying all these years to anyone how blame you
Give you everyhting I could but still you tell me I love her
No please shut up, shut up, shut up, shut up, shut up, shut up, shut upYou're tuning inside out, I don't reconize you
Blaming me for what you lost, insisting now I lose you
Gave you everything I do and still taht's not enough for you
Ohh please shut up, shut up, shut up, shut up, shut up, shut up
Shut up, shut up, shut up, shut up, shut up, shut up
Shut up, shut up, shut up, shut up, shut up, shut up
