Power

Rainbow

Really gonna get it tonight, listen upEverybody's sayin' that, the times are getting rough
You gotta stay loose baby, and you gotta be tough, oh
I get knocked down, get right back up again
'Cause I never give up and I never give inOh, so strong, got the power when I turn it on
Yeah, I'm gonna get my fill
Nothin's gonna stop me now and nothin' ever will
I got the power, I got the power, I got the power
I feel the power and don't forget itMake some, break some ain't no big surprise
They're gonna wheel ya, deal ya, tell ya all the lies, realize
But I'm a hot shot, shoot 'em down let 'em be, that's me
'Cause I got nothin' for nothin' and nothin's ever free noOh, so strong, all I gotta do is turn it on
Yeah, I'm gonna get my fill
Nothin's gonna stop me now and nothin' ever will
I got the power, oh, I got the power
I can feel the power, I got the power, yeah yeah yeah, turn it onI can take anything that gets in my way
I don't worry 'bout tomorrow, I just live for todayOh, so strong, got that feeling when I turn it on
Yeah, I'm gonna get my fill
Nothin's gonna stop me now and nothin' ever will
I got the power, I can feel the power, power, I can feel the powerTurn it on, power, can you feel it?
You know the power, got the power
[Incomprehensible] power
You can turn it on, turn it on, switch it on behind
Super charged, I can feel the power
