

If I Didn't Love You

[Tina Arena](#)

So good, when it's good I wanna spend my whole life lovin' you
But I'm tired and you don't know how close I've come to leaving you
You try my patience and you race me to the wire
It takes every ounce of my will and desire If I didn't love you, if I didn't love you like crazy
If I didn't love you baby as much as I do
I'd just walk out the door, I couldn't take it anymore
I wouldn't put up with what you put me through
If I didn't love you It's hard but you won't give up until you push me to the wall
But I know you're the only one who'll be there for me when I call
Oh yes you will
I can't help believing that it's worth it somehow
'Cause I've worked too damn hard to wanna give up now If I didn't love you, if I didn't love you like crazy
If I didn't love you baby as much as I do
I'd just walk out the door, I couldn't take it anymore
I wouldn't put up with what you put me through
If I didn't love you, if I didn't love you
No, if I didn't, if I didn't love you like I do When you love someone nothing's black or white
When the riptide runs there's no wrong or right
I'll sail with you but I'll refuse to drown
So don't you take me down, down, take me down down
Don't you take me down, down, down If I didn't love you, if I didn't love you
I'd walk out that door, I don't need it anymore
Need to put up with what you put me through
I didn't love you, if I didn't love you, if I didn't love you, oh
If I didn't love you, if I didn't love you like I do, yeah
I'd walk out that door and not comin' back no more, oh oh, no more
