Perfect Dark (Album Version)

Suburban Tribe

I swear I'll never forgive you
for all the shit you said and did to me
I swear I'll never forgive you
cause everything I did
I did it all for youI have to do what I have to do
you're the one blessed with a choice
I have to do what I have to do
I was left with no other choiceCall on perfect dark
of self deception
I'll veil my heart
I will call on perfect dark again
Perfect dark
Perfect darkI swear I'll never forget you
you stole my heart then you threw it away
I swear I'll never forget you
you left me empty
it's all you ever had
