

Come To Me

Jesse McCartney

Under the silver stars
Right where he broke your heart
Girl you know, I'd give you everythin'
I wanna hold your hand
And say the words he never said
I'll make you promises you can believe
Let me be the one, tellin' you it's alright
Sharin' the smiles and tears you cry
Let me be the one, lovin' you when you're weak
For all of the strength you need
You can come to me
When you're down and you feel so lonely
Turn around, you can come to me
When you're down baby, I will be the only
Come to me
You can just be yourself
'Cause I don't want nobody else
All of your secrets are safe with me
For the kind of love you can trust
For more than just a crush
Baby, why don't you just come to me?
Let me be the one, tellin' you it's alright
Sharin' the smiles and tears you cry
Let me be the one, lovin' you when you're weak
For all of the strength you need
You can come to me
When I got you in my arms, got you in my arms
Say it's where you wanna be where you wanna be
'Cause girl I'm down on my knees
Promisin' my heart oh, my heart
Let me be the one, tellin' you it's alright
Sharin' the smiles and tears you cry
Let me be the one, let me be the one
Lovin' you when you're weak
For all of the strength you need
You can come to me
Let me be the one, tellin' you it's alright
Sharin' the smiles and tears you cry
Let me be the one, lovin' you when you're weak
For all of the strength you need
You can come to me
Baby you need me boy
Baby you need me girl
Baby you need me, I need that
Baby you need me boy
Baby you need me girl
Baby you need me, I need that

Reach out, reach out, reach out to me
