

Fabulous (Feat. Lucas Grabeel)

Ashley Tisdale

It's out with the old and in with the new
Goodbye clouds of gray, hello skies of blue
A dip in the pool, a trip to the spa
Endless days in my chaise
The whole world according to moiExcuse me?
Thank youIced tea imported from England
Lifeguards imported from Spain
Towels imported from Turkey
And turkey imported from MaineWe're gonna relax and renew
You go doI want fabulous, that is my simple request
All things fabulous, bigger and better and best
I need something inspiring to help me get along
I need a little fabulous, is that so wrong?Fetch me my Jimmy Choo flip-flops
Where is my pink Prada tote?
I need my Tiffany hairband
And then I can go for a floatSummer like never before
I want moreShe wants fabulous, that is her simple request
All things fabulous, bigger and better and best
She needs something inspiring to help her get along
She needs a little fabulous, is that so wrong?Fabulous pool, fabulous splash
Fabulous parties even fabulous trash
Fabulous fashion, fabulous bling
She's got to have fabulous everythingNothing to discuss
Everything's got to be perfect for meShe wants fabulous, that is her simple request
All things fabulous, bigger and better and best
She needs something inspiring to help her get along
She needs a little fabulous, is that so wrong?This won't do, that's a bore
That's insulting, I need more
I need, I need, I need, I need, I need, I need
I need fabulousGive me fabulous hair, fabulous style
Fabulous eyes and that fabulous smile
Oh, I like what I see, I like it a lot
Is this absolutely fabulous? Absolutely not
