

# Burn

Norah Jones

The plot begins with you  
And me in darklit rooms  
Your cigarette cuts through  
I wear it like perfumeThe melody gives way  
We silently behave  
The story never ends  
Is torn up into shreds  
I see it in your eyes  
Invitation lies  
But pages left to turn  
Our chapters we should burnThe melody gives way  
We silently behave  
The story never end  
Is torn up into shredsI see it in your eyes  
An Invitation lies  
But pages left to turn  
Our chapters we should burn
