

Here Comes the Night

Dwight Yoakam

I can see her right out my window
Walkin' on the street, my girl with another guy
His arms around her like it used to be with me
Hey man, it makes me want to die Yeah, yeah, yeah Here it comes
Here comes the night
Here comes the night
Whoa, whoa, whoa, yeah There they go, it's funny how they look so good together
Wonder what is wrong with me
Why can't I accept the fact that she's chosen him
And simply let them be Whoa, whoa, whoa Here it comes
Here comes the night
Here comes the night
Whoa, whoa, whoa, yeah Oh, she's with him, he's turning out the lights
And now he's holding her the way I used to do
I can see her closing her eyes and telling the lies
Exactly like she told me too Whoa, whoa, whoa Here it comes
Here comes the night
Here comes the night
Whoa, whoa, whoa, yeah Here it comes
Here comes the night
Here it comes
Here comes the night Here it comes
Here comes the night
Here it comes
Oh, here comes the night
