

Nothing But Heartaches

The Supremes

Nothing but heartaches, oo, nothing but heartaches
He brings nothing but heartaches
Oo, I can't break away from his arms
I can't break away from his charms
I can't break away from his kiss, 'cause his kiss I surely miss
All my life I needed someone to need me, so I do my very best to please him
But the more and more I care, the more of him other girls share
When I need a hand to hold, that's the time he leaves me all alone
Just keeps me, keeps me cryin' myself to sleep
Nothing but heartaches oo, nothing but heartaches
But I can't break away, oh, no, keep a loving him more each day
Oo, I can't break away from his arms
I can't break away from his charms
I can't break away from his kiss, 'cause his kiss I'll surely miss
To him I'm loyal, to him I'm true
Why can't he be the same way too?
But the more my love has grown, the less love he has shown
He makes promises he doesn't keep
Sometimes I don't see him all week
Just keeps me, keeps me cryin' myself to sleep
Nothing but heartaches oo, nothing but heartaches
But I can't break away, oh, no, keep a loving him more each day
Oo, I can't break away from his arms
I can't break away from his charms
I can't break away from his kiss, 'cause his kiss I'll surely miss
