

Turn On Your Love Light

Gregg Allman

One two one two three four Without a warning, you stole my heart
You took it darling, and tore it apart
You left me sitting, in the dark crying
You said your love, for me was dying Come on baby, come on please
I'm begging you baby, down on my knees
Turn on your light, let it shine on me
Lord turn on your love light, let it shine shine shine on me
Oh yeah, let it shine shine shine, let it shine
Oh a little bit higher
(A little bit higher)
I said higher higher
(A little bit higher)
A little bit higher, yeah
You'll clap your hands together now I get a little lonely in the middle of the night
I need you darling to make things right
Come on baby, come on please
Come on baby, down on my knees
Turn on the light, let it shine on me
Lord turn on your love light now now let it shine shine shine on me
Oh alright, mmm mmm
Lord a little bit higher
(A little bit higher)
Yeah
(A little bit higher)
