

One In A Million

The Romantics

Something about you
Makes me wanna keep on loving you
When I'm without you
I feel I need you back in my arms
I get a sensation
I feel whenever I'm around you
You're my inspiration
And I'm so glad I found you One in a million-baby you're the one
One in a million-and you're second to none
One in a million-a million to one
You're one in a million When I first saw you
I had a feeling right from the start
In love I was falling
You seemed to do things to my heart
Your love and affection
Is all I need to keep me satisfied
You leave an impression
Baby I never wanna leave you
