Spider

Ani DiFranco

Work of art
Field of play
Slight of hand
Turn of phrase
Port of call
Dark of night
Fear of tight spaces
Fear of heightsLook out, boyscout
It's a spider
The windows, near us, and you know it's
Inside her house
In sight, flashlight
By your pillow
Only one way for this to go
Ship of fools
Tale of war
Change of heart
Day of show
Flight of stairs
Burden of proof
Murder of crows
Moment of truthLook out, boyscout
It's a spider
The windows, near us, and you know it's
Inside her house
In sight, flashlight
By your pillow
Only one way for this to go
Back to the grind
Right away
Show of hands
Shades of gray
Twist of fate
Sins of weight
Tears of joy
Death or lifeLook out, boyscout
It's a spider
The windows, near us, and you know it's
Inside her house

In sight, flashlight
By your pillow
Only one way for this to goLook out, boyscout
It's a spider
The windows, near us, and you know it's
Inside her house
In sight, flashlight
By your pillow
Only one way for this to go
