If Born From This Soil

Shai Hulud

This world is a burden
And it disgusts me.
I want to deny it,
Its inhabitants and their possessions.
I'm embarrassed to know
This soil produced me.I'm dying to be elsewhere,
Trying not to belong in a nature
Of impulse and self indulgence.A brother to none,
My kinship lies elsewhere.
I am separate and loyal to no one,
If born from this soil.I'm embarrassed to know you;
You do not represent me.
A likeness only in structure,
Not in mind.
