2020, We'll Have Nothing Going On

Pavo Pavo

ride the bus
I'm a platform cowboy now
you can call me on another pay phonecomb me out, I'm still just your city birdnever mind, I'm just trying to get my disco kick on a saturday night
but then you call me on another pay phone
help me up, close the doorsaving up for next year
(we'll have nothing going on)
we might need it then
breathing in, and breathing it out
(we still have nothing going on)
you might need a friend
take me to your country
seriously, christine
here to stay, we're in your countrysaving up for next year
(we'll have nothing going on)
we might need it then
breathing in, and breathing it out
(we still have nothing going on)
you might need a friend
take me to your country
seriously, christine
here to stay, we're in your countrytake me to your country
seriously, christine
