Lonely Soul (feat. Richard Ashcroft)

UNKLE

God knows you're lonely souls
God knows you're lonely souls
God knows you're lonely souls
Yeah, yeahI believe there's a time and a place
To let your mind drift and get out of this place
I believe there's a day and a place
That we will go to and I know you wanna shareThere's no secret to living
(There's no secret to living)
Just keep on walking
There's no secret to dying
(There's no secret to dying)
Just keep on flyingI'm gonna die in a place that don't know my name
I'm gonna die in a space that don't hold my fameGod knows you're lonely souls
God knows you're lonely soulsI believe there's a time when the cord of life
Should be cut, my friends
(Cut the cord, my friend)
I believe there's a time when the cord can be cut
And this vision ends
(Let this vision end)But I'm gonna die in a place that don't know my name
And I'm gonna cry in a space that don't hold my nameWalking in the cold, just keep on flying
There'll be a searchlight on the mountain highGod knows you're lonely souls
God knows you're lonely souls
God knows you're lonely souls
God knows you're lonely souls
Yeah yeah yeah yeah yeah, I'm a lonely soulI'm gonna die in a place that don't know my name
I'm gonna die in a place that don't know my nameGod knows you are lonely souls
Lonely souls, lonely souls
Lonely soul, I'm a lonely soulSo long, little chapel
Sweet is the sound
Pack up your light
Pack up your light
Say goodbye to the Holy water life
Sweet sound, in and out
Ahh
Pushing it in
