

Winter Wooskie

Belle and Sebastian

Who's that girl?
She must be nearly freezing
Who's that girl?
I'll bet all that snow
Makes it hard to see her
Today she waved to me And maybe I'm in love
Love love, love love
And maybe that's enough
That stuff, that stuff I made a film
I made it through the window
But who's that star I cast?
All wrapped up in her winter wardrobe
She hurries by so fast And maybe I'm in love
Love love, love love
And maybe that's enough
That stuff, that stuff On summer days when sun shines
I watch the tape
And through the snow, through the window
I watch her wave to me Who's that girl?
She must be nearly freezing
