

# From My Heart

## Sawyer Fredericks

You wake up  
You go back to sleep  
Open a window  
Wind blowing through the trees  
You get out of bed  
You go downstairs  
Someone's screaming  
Screaming "Where have you been?"  
Screaming "Where have you been?"  
Screaming "Where have you been?"

Cause I want to know  
What's been going on  
But I don't care  
What you've been doing  
Just want you home  
Where you belong  
Cause I've been thinking  
Seems like every night I've been alone  
Seems like every night I've been alone  
Seems like every night I've been alone

Window's shaking  
Needs to be fixed  
Don't feel like working  
Don't want to be doing  
Everything round here  
Not that I am  
Not that I am  
Not that I am

You keep leaving  
Leaving me a note  
Don't want to read it  
I know what it's pointing out  
You've been drifting  
Drifting away  
From my heart  
From my heart

From my heart

You wake up  
You go back to sleep  
Open a window  
Windâ€™s blowing through the trees  
You get out of bed  
You go downstairs  
Someone's screaming  
Screaming "Where have you been?"  
Screaming "Where have you been?"  
Screaming "Where have you been?"
