Cigarettes In the Theatre

Two Door Cinema Club

It starts in the theater
A night of encounters
If I hadn't been there
If not for a cigaretteAnd you could see it change
Look past the blinding light
Look past the blinding lightJust keep talking on
Tell me your favorite things
Tell me your favorite thingsDifference in opinion was never an issue
Collect all your questions
'Cause this time we've all nightAnd you could see it change
Look past the blinding light
Look past the blinding lightJust keep talking on
Tell me your favorite things
Tell me your favorite thingsAnd you could see it change
Look past the blinding light
Look past the blinding lightJust keep talking on
Tell me your favorite things
Tell me your favorite things
