Only Me And You

Donna Cruz

I just had a dream that you were far away
And that someone else was in your arms today
Though I know it's just a dream
Still my fear is so extreme
Coz I know that dreams could sometimes be so true
And I'll be blueThen I told myself
I'd always stay the same
Even if you hurt me, I would take the blame
You are all I'm livin for
I would love you even more
I would keep the pain inside my door~CHORUS~It's enough for me that I have come to love you, I see
Because the heart I have could only want you
I just want you to remember
Even if it takes foreverI would wait until the world is through
When all that's left is
Only me and youYes I told myself I'd always stay the same
Even if you hurt me
I would take the blame
You are all I'm livin for
I would love you even more
I would keep the pain inside my door[~CHORUS~]You are all I'm livin for
I would love you even more
I would keep the pain inside my doorIt's enough for me that I have come to love you, I see
Because the heart I have could only want you
I just want you to remember
Even if it takes foreverI would wait until the world is through
I'll wait for you
You know it's true
Until I can now be with you
When all that's left
Is only me and you
