

# Only Me And You

Donna Cruz

I just had a dream that you were far away  
And that someone else was in your arms today  
Though I know it's just a dream  
Still my fear is so extreme  
Coz I know that dreams could sometimes be so true  
And I'll be blue Then I told myself  
I'd always stay the same  
Even if you hurt me, I would take the blame  
You are all I'm livin for  
I would love you even more  
I would keep the pain inside my door~CHORUS~It's enough for me that I have come to love you, I see  
Because the heart I have could only want you  
I just want you to remember  
Even if it takes forever I would wait until the world is through  
When all that's left is  
Only me and you Yes I told myself I'd always stay the same  
Even if you hurt me  
I would take the blame  
You are all I'm livin for  
I would love you even more  
I would keep the pain inside my door[~CHORUS~]You are all I'm livin for  
I would love you even more  
I would keep the pain inside my door It's enough for me that I have come to love you, I see  
Because the heart I have could only want you  
I just want you to remember  
Even if it takes forever I would wait until the world is through  
I'll wait for you  
You know it's true  
Until I can now be with you  
When all that's left  
Is only me and you
