I Want You

Galactic Cowboys

In the morning I raise my head
And I'm thinkin' of days gone by
And the thing I want out of life isI want you, I want you
I want you, I want youYou can run, you can hide
But you never get away
You can lie and deny
But you know you're gonna payYou never loved, you never thought you could
Treat you right, girl, you know I would
You can fight but tonight
There's nothin' you can doI want you, I want you
Baby, baby, babe, I want you, I want youYou can walk in a haze
You can travel till you die
You can live in a dream
And life will pass you byAnd every day that you hesitate
You're never changin' the hands of fate
You can fight but tonight
There's nothing you can doI want you, I want you
Baby, baby, babe I want you, I want youIn the morning, I raise my head
And I'm thinkin' of days gone by
And the thing I want out of life isBaby, baby, babe I want you, I want you
Baby, baby, babe I want you, I want youI want you, I want you
I want you, I want youI want, I want
