Secret Squirrel

Theme Songs

Secret squirrel splashes in
Sirens warn tsunami
Secrets come to save us all
Sirens warn eminent doom
He can breathe in water yeah, yeah
And super tail can stop the danger
No one moves quite like you do
Secret how do you do it?

I just fly I come sailin' in like it's sunny skies
I know I'll always win
So I see you came secret squirrel's a shame
You will have to die
Final round, doctor Doom here
Will he conquer the world?
Tune in next week and see
Secret squirrel save you and me
