New Feeling

Chanel West Coast

It's like the first time I had sex
First time I cash a check
First time I drove a Benz and the first time I held a band
This that feeling they talk about
All eyes on you when you walkin out
Chips all in and I'm cashin out
Whips on lean cus I'm showin out
I'm sittin in there, winnin at the same time
Make a living, I'm finna get mine
Your team a stay hidden on the sidelines
I'm chillin keep hittin this big time
I'm that bitch you mad at
Cus I'm good and you bad at it
Mad cus you home and you want my spot
Hatin on me, from ya fuckin laptop
Waitin on me, tryna see what I got
No debatin, give it all that I got
If the hatin keep climbin to the top
Call me satan cus I'm just that hot
I be skatin, pass you in a drop
Like I'm 18, I'm about to pop
Sky's the limit, huh maybe for her
I just made a lift past Jupiter

This that new feeling, hands up to the ceiling
Something I never felt before
I'm high up, I can touch the floor
This that new feeling, hands up to the ceiling
Something I never felt before
I'm high up, I can touch the floor
This that new feeling, n-n-n-new feeling
This that new feeling, n-n-n-new feeling
This that new feeling, n-n-n-new feeling
I'm high up, I can touch the floor
I'm high up, I can touch the floor
(2)
Diamonds, Givenchy cup
She sip Ciroc, smoke a dutch
No shot, royal flush

Drop top, interior risk plus
Drop down, get yo eagle on
Rock the mic, getting this eagles song
Gotta rhyme like my lip was gone
I'm up and out like a case in the morn
And I'm never gon quit, never gonna stop getting it
It's getting it sick, I love straight killin it
Party all night, up up all day day day
Mo 24's than keep a play play play
I goin hard round Jeremy may may may
I'm taking off like close ya tray tray tray
Left for the world but I'm from LA lay lay
This be the shit make you wanna say say say()
This that new feeling, hands up to the ceiling
Something I never felt before
I'm high up, I can touch the floor
This that new feeling, hands up to the ceiling
Something I never felt before

This that new feeling, n-n-n-new feeling
This that new feeling, n-n-n-new feeling

I'm high up, I can touch the floor(Bridge)
I'm walkin, I'm walkin, I'm walkin, I'm walkin on air
(I'm walkin on, walkin on air)
They talkin, they talkin, they talkin but I don't care
I'm holdin, I'm holdin, I'm holdin my hands in the air
This feeling, this feeling, this feeling I can't compare()
This that new feeling, hands up to the ceiling
Something I never felt before
I'm high up, I can touch the floor
This that new feeling, hands up to the ceiling
Something I never felt before
