

Excerpt From (let's Fall In Love)

Seal

My emotions drift away
I think about it but it's alright
It's alright, it's alright, it's alright
It's alright now My emotions drift away
I think about it every single day
Do I regret it?
What I'd say
That it's alright, it's alright, it's alright
Out in space There's a feelin' that runs
Through your veins
One that has no time
No space Takin' you higher
So that you can't deny it
That's when you're in love Takin' you higher
So that you can't deny it
That's when you're in love (Takin' you higher)
(Takin' you higher)
(So that you can't deny it)
(So that you can't deny it)
(That's when you're in love)
That's when you're in love (Ah)
Takin' you higher
(Takin' you higher)
So that you can't deny it
That's when you're in love Takin' you higher
(Takin' you higher)
So that you can't deny it
That's when you're in love Takin' you higher
(Takin' you higher)
So that you can't deny it
That's when you're in love And that's when you're in love
