

# Not Still In Love With You

[Tina Arena](#)

I never miss the way you kiss  
I washed you softly from my lips  
I never read old messages from you  
People listen when I speak  
That's something that you never did  
I never miss your eyes so wide, so rude  
I'm tired of walking around in circles I can't wait for you to see me  
So I can brush you off  
I can't wait for you to call me  
So I can not pick up  
I can't wait for you to ask me  
So I can tell you that I'm not in love, I'm not in love  
Tell you that I'm not in love, I'm not still in love with you I'm still alone when I awake  
Is this the end, am I to break?  
These boots were made, to walk away from you  
I'm tired of walking around in circles  
I'm tired of walking around in circles I can't wait for you to see me  
So I can brush you off  
I can't wait for you to call me  
So I can not pick up  
I can't wait for you to ask me  
So I can tell you that I'm not in love, I'm not in love  
Tell you that I'm not in love, I'm not still in love with you  
Oh, still in love with you Can't seem to shake this feeling  
But I must be strong  
Underwater but I'm breathing  
I go on and on I can't wait for you to see me  
So I can brush you off  
I can't wait for you to call me  
So I can not pick up  
I can't for you to ask me  
So I can tell you that I'm not in love, I'm not in love  
Tell you that I'm not in love, I'm not  
So I can tell you that I'm not in love, I'm not in love  
Tell you that I'm not in love, I'm not still in love with you  
Still in love with you
