Miss Blue

Filter

Could you stay long enough for me to say goodbye?
You can be free as long as you're with me
If you could see the real me, you'd bleed
If you could see the real me, I'd breathe
Could you still breathe long enough for me?
Could you still be long enough for me?When do you think I'll be okay?
When do you think I'll be okay?If I should stay, when do I pray?
If I should stay, where do I begin?
Do you think I should watch you die?
Should we close our eyes and say goodbye?When do you think I'll be okay?
When do you think I'll be okay?
When do you think I'll be okay?
When do you think I'll be okay?Hey you, Miss Blue, you think that I'm well to do
Hey you, Miss Blue, I fell in love with you
Hey you, Miss Blue, I think about you as true
Hey you, Miss Blue, I hate it when you cry
Hey you, Miss Blue, I hate it when you say goodbye
Hey you, Miss Blue, I hate it when you say goodbyeWhen do you think I'll be okay?
When do you think I'll be okay?
When do you think that I'll be okay?
When do you think that I'll be okay?Hey you, Miss Blue
You say goodbye, you say goodbye
Don't say goodbye, you say goodbyeGoodbye
Goodbye
Goodbye
