River Flows In You (Eric Chase Video Edit)

Jasper Forks

If you have the time to share the road with me
If you can imagine we could both be free,
What I long to do is give my heart to you
So that you can always hold it close to you
Holding you, holding you
It's in you,
The river flows in you
Slowly now, slowly now
It's in you,
The river flows in youIf you have the time to share the road with me
If you can imagine we could both be free,
Holding you, holding you
It's in you,
The river flows in you
Slowly now, slowly now
It's in you the river flows in youIf you have the time to share the road with me
If you can imagine we could both be free,
What I long to do is give my heart to you
So that you can always hold it close to you
