

English Summer Rain (Live in Paris 2003)

Placebo

Always stays the same, nothing ever changes.
English Summer Rain seems to last for ages.
Always stay to same, nothing ever changes.
English Summer Rain seems to last for ages. I'm in the basement, you're in the sky.
I'm in the basement baby, drop on by.
I'm in the basement, you're in the sky.
I'm in the basement baby, drop on by. Always stays the same, nothing ever changes.
English Summer Rain seems to last for ages.
Always stay to same, nothing ever changes.
English Summer Rain seems to last for ages. I'm in the basement, you're in the sky.
I'm in the basement baby, drop on by.
I'm in the basement, you're in the sky.
I'm in the basement baby, drop on by. Hold your breath and count to 10.
Then fall apart and start again.
Hold your breath and count to 10.
Start again, start again. Hold your breath and count to 10.
Then fall apart and start again.
Start again. [Repeat: x13] Always stays the same, nothing ever changes.
English Summer Rain seems to last for ages.
Always stay to same, nothing ever changes.
English Summer Rain seems to last for ages. Hold your breath and count to 10.
Then fall apart and start again.
Hold your breath and count to 10.
Start again, start again. Hold your breath and count to 10.
Then fall apart and start again.
Hold your breath and count to 10.
Start again. [Repeat: x19]
