Where Is All the Money Going

Cody ChesnuTT

Where is all the money going?
Where do all the money come from?
Where is all the money going?
Where do all the money come from?Where is all the money going? (where?)
Where do all the money come from?
Where is all the money going? (where?)
Where do all the money come from?Where is all the money going?
Where do all the money come from?
Where is all the money going?
Where do all the money come from?This here is no story
This here is no tale
Not all of your boys made oft of the corner
And some have full made it off the triple scale
Well well well
Where is all the money going? (where?)
Where do all the money come from?
Where is all the money going? (where?)
Where do all the money come from?Umm, my friend, my ladies
When I'm dying neither can save me
(Well) Money down the drain
And I'd go on that strolling channel
Puttin it on the preyWhere is all the money going? (where?)
Where do all the money come from?
Where is all the money going? (where?)
Where do all the money come from?This here is no story (the money come from)
This here is no tale
Not all of your boys made oft of the corner (the corner)
And some have full made it off the triple scale (tell me where the money come from)
Where is all the money going? (where?)
Where do all the money come from?
Where is all the money going? (where?)
Where do all the money come from?
