It's Your Life

Saga

I wonder why you care so much
When you don't wanna do it
We always put you through it
Every day we ask a lot
We know you're gonna do it[Chorus]
It's your life
Don't think twice
It's your life
Don't think twice
It's your lifeYou cross the line and make up your mind
Do you think you're gonna make it?
Cause you don't have to take it
You are the kind that will always find
Sometimes you gotta fake it
But you really gotta shake itYou know you gotta know
Sometimes it's touch and go
It's time to just say no[Chorus]You make yourself such an easy touch
Doesn't matter who you're nice to
Cause you want us all to like you
To let us down would be too much
But maybe you're afraid to
Cause that is how we made youI know it's touch and go
It's time to say noYou know you gotta know
Sometimes it's touch and go
It's time to just say no
It's your lifeEvery day you find a way
To do more than you want to
It's always there to haunt you
One word will change your day
No matter what we ask you
Say no and put it past youYou know you gotta know
Sometimes it's touch and go
It's time to just say no[Chorus]
