Rabbit Hole

Jamie T

Sold to a bid then hit by a buyer
Lift the lid on a kids took the piss then retire
Paris said she get underhand
She always let you down when she knows that she can
Like a SA80, my baby save me
Even played me and jammed in a sand
Like a essay, she tried to correct me
She meant to protect me but only betrayed me nowYou're too proud to call
Guess I never knew you at all
You stoop low
I got high
TonightLally la, she trips and stumbles
Go see Alice in the palace to crumble
Lally la, she trips to tumble
Go and roll down a rabbit holeLally la, she trips and stumbles
Go see Alice in the palace to crumble
Lally la, she trips to tumble
Go and roll down a rabbit holeStill know you can call me whenever
I'm always round town
Man I'll be around forever
I'll take the blame and I'll take the weather
I'll travel overseas, sell the snow back to the favelas
I'm magnanimous
Life's gesture
Only for the sake of posterity
It's unanimous
I'll arrest her
Four days in the cells of the Bailey nowYou're too proud to call
Guess I never knew you at all
You stoop low
I got high
TonightLally la, she trips and stumbles
Go see Alice in the palace to crumble
Lally la, she trips to tumble
Go and roll down a rabbit holeLally la, she trips and stumbles
Go see Alice in the palace to crumble
Lally la, she trips to tumble
Go and roll down a rabbit holeWho noticed the problems
In Jennifer Bennett's head?

I swear, she's not the same person that I grew up with
She's not the same person I metI said who noticed the problems
In Jennifer Bennett's head?
I swear, she's not the same person that I grew up with
She's not the same person I leftI said who noticed the problems
In Jennifer Bennett's head?
I swear, she's not the same person that I grew up with
She's not the same person I leftLally la, she trips and stumbles
Go see Alice in the palace to crumble
Lally la, she trips to tumble
Go and roll down a rabbit holeLally la, she trips and stumbles
Go see Alice in the palace to crumble
Lally la, she trips to tumble
Go and roll down a rabbit holeLally la, she trips and stumbles
Go see Alice in the palace to crumble
Lally la, she trips to tumble
Go and roll down a rabbit holeLally la, she trips and stumbles
Go see Alice in the palace to crumble
Lally la, she trips to tumble
Go and roll down a rabbit hole
