I'm the Magnificent

Special Ed

I am the magnificent
I'm the magnificent with the sensational style
And I can go on and on for like a mile
A minute, I get in it like a car and drive
And if the record is smash, I can still survive'Cause I'm the man of steel on the wheel that you're steerin'
Or rather playin' on the record that you're hearin'
You might not understand what I'm saying at first
So action love, put it in reverseI'm just conversin' with you, person
This is just a conversation
I'm Special Ed, with the special presentation
Hey, I like to play so for me it's recreationIt's not just a job, it's an adventure
If worse comes to worse, I've got your thirst quencher
But ya gotta buy it, don't even try it, I don't rhyme for free
No matter how dry it gets I collect my money in setsOne before the show and again when I jet
So I get mine, and I'm a get more
'Cause I'm financially secure and I'm sure
So I don't need your tips or advice'Cause I'm too nice for that, you rat
I can't stand mice, I'm like a cat, kinda frisky
Battling is risky business, you might acquire dizziness
Just like whiskey, isn't this enough?Oh, you think you're tough, cookie
I think you better call your bookie
'Cause you can bet your life
I'm gonna play you like hookyOn a Friday, this is my day
When I was through, I heard you say
"Why they dis me like that?", I shoulda repent
Somebody shoulda said that Special Ed was the magnificentI am the magnificent
I'm the magnificent, dynamite, super dope, outta sight
Special Ed with my trusty pal, action love, the run we shall
Continue to win, yet this is not a game
But I'm 'a play you if say you claim to be betterI hate rumors and I give tumors
And our jammies get Grammy's
Yet I'm not an actor, it's just a factor
That we're famous, don't blame us for nothin'Action love is cuttin', I'm on the rhyme
Skin your teeth and it's your beef that I'll grind
Like a butcher, I'll put you on a table
And let my D.J. cut ya but you're such a little suckerI might not even touch ya
I betcha whatcha want is just attention
Your mother and your father shoulda used some prevention
Look at all the time and the money they spent

And now ya wanna die against I-the magnificent?I am the magnificent
I'm the magnificent with the sensational style
And I can go on and on for like a mile
A minute, I get in it like a car and drive
And if the record is smash, I can still survive'Cause I'm the man of steel on the wheel that you're steerin'
Or rather playin' on the record that you're hearin'
You might not understand what I'm saying at first
So action love, put it in reverse
