Call All Destroyer

Cornershop

every alternative (yeah!)
one two, a one two three four
anyway you see it get on down
I said anyway you see itanyway you see it get on down
I said anyway you see it
just get on down
anyway you see it get on down
I said anyway you see it
just (just) get on downclear all data call all destroyer
clear all data call all destroyer
kill all producers call all destroyer
I said anyway you see it
just (just) get on down
anyway you want it get on down
I said anyway you want it
just get on down
anyway you want it get on down
I said anyway you want it
just (just) get on downclear all data call all destroyer
clear all data call all destroyer
kill all producers call all destroyer
I said anyway you want it
just get on down
get down!juke box sex and the shabby ranks
some people
well they're too thick to understand.
from the center to the manifold
for massive detail,
get on downanyway you want it get on down
I said anyway you want it get on down
anyway you want it get on down
I said anyway you want it just (just) get on down
clear all data call all destroyer
clear all data call all destroyer
kill all producers call all destroyer
I said anyway you want it just get on down
anyway you see it get on down
I said anyway you see it and woman's gotta have it
