

Til We Die

Slipknot

Our friends are all hurting from moments and regrets and charity laced with a lie
Still we keep hoping, to fix all the defects and strengthen these seminal times
We go on together for better or worse, our history is to real to hate
Now and forever we stay until morning, and promise to fight for our fateTil we die
Til we dieThe start of a journey is every bit worth it, I cant let you down anymore
The sky is still clearing, we're never afraid and the consequences opens the door
I never stopped trying, I never stopped feeling like family is much more than blood
Don't go on without me, the piece that I represent compliments each and everyoneTil we die
Til we dieWe wont be forgotten we'll never give in
This war we've achieved has allowed us to winTil we die
Til we dieMy last true confession will open your eyes
I've never known trust like the night
Let it be spoken, let it be screamed, they'll never ever take us aliveTil we die
Til we dieWe wont be forgotten we'll never give in
This war we've achieved has allowed us to winCarry on
Carry on(We'll never be broken, we wont be denied)
(Our war is the present we need to deny)
(We'll never be broken, we wont be denied)
(Our war is the present we need to deny)Til we die
Til we dieWe wont be forgotten we'll never give in
This war we've achieved has allowed us to winCarry on
Carry onWe'll never be broken, we wont be denied, our war is the present we need to denyTil we die
Til We dieWe wont be forgotten we'll never give in
This war we've achieved has allowed us to winTil we die
Til we dieWe'll never be broken, we wont be denied, our war is the present we need to deny
