

You Better Swim (Album Version)

Motorhead

I got no reason to be paranoid
What's on the hook that's what I avoid
I was born underwater without a sound
With my friends in the drink and the sea all around You better swim
Baby, you better swim
You better swim like a tigershark
Or I'm gonna do you in I'm sorry when I'm told that I'm black and I'm white
Sometimes I'll be wrong, sometimes I'll be right
I'm higher than a seal, and I'm bad to the bone
You go looking for trouble, but you come alone You better swim
Baby, you better swim
You better swim like a tigershark
Or I'm gonna do you in Come on spongey! I see them come, and I see them go
I see big things and big people that nobody knows
I'm talking at pictures and I'm paintin 'em black
I'm telling you, fish-face, you ain't never coming back You better swim
Baby, you better swim
You better swim like a tigershark
Or I'm gonna do you in
Yeah
