

# Mardy Bum

## The Arctic Monkey's

Well now then Mardy Bum  
I've seen your frown  
And it's like looking down the barrel of a gun  
And it goes off And out come all these words  
Oh there's a very pleasant side to you  
A side I much prefer It's one that laughs and jokes around  
Remember cuddles in the kitchen  
Yeah, to get things off the ground And it was up, up and away  
Oh, but it's right hard to remember that  
On a day like today when you're all argumentative  
And you've got the face on Well now then Mardy Bum  
Oh I'm in trouble again, aren't I?  
I thought as much 'Cause you turned over there  
Pulling that silent disappointment face  
The one that I can't bear Well can't we laugh and joke around?  
Remember cuddles in the kitchen  
Yeah, to get things off the ground And it was up, up and away  
Oh, but it's right hard to remember that  
On a day like today when you're all argumentative  
And you've got the face on And yeah I'm sorry I was late  
But I missed the train  
And then the traffic was a state And I can't be arsed to carry on in this debate  
That reoccurs, oh when you say I don't care  
Well of course I do, yeah I clearly do! So laugh and joke around  
Remember cuddles in the kitchen  
Yeah, to get things off the ground And it was up, up and away  
Aw but it's right hard to remember that  
On a day like today when you're all argumentative  
And you've got the face on
