## Oleska Lozowchuk

I am an angel, stands in the corner  
    Nobody sees me  
Invisible angel, makes certain signals  
    Only I know what they mean  
Dogs and demons walks in my head  
    I am deep under pressure  
I understand what I have to do now  
    I know I'm just following orders  
    They crucify me again and again  
    I won't stay on this cross  
Nobody knows the trouble I've seen  
    Nobody knows what I've lost  
    Heavy things, in a heavy bag  
    Heavy thoughts on my mind  
Ghosts and monsters, you bastard sinners  
    You've ruined my life  
    I walk through a crowd  
Nobody sees me, I'm invisible here  
    I've come to finish my mission

    And put an end to this fear  
    They crucify me again and again  
    I won't stay on this cross  
Nobody knows the trouble I've seen  
    Nobody knows what I've lost  
    Day in, day out, day in, day out  
    Chaos and carnage around me  
    Well, I hear their shouts and cries  
Well, I laugh at the gut when they try to surround me  
    They won't take me alive  
    They crucify me again and again  
    I won't stay on this cross  
    Nobody knows the trouble I've seen  
Nobody knows what I've, nobody knows that it's  
    Day in, day out, day in, day out, day in  
    Nobody knows the trouble I've seen  
    Nobody knows what I've lost
