Knight Moves

Suzanne Vega

Watch while the queen
In one false move
Turns herself into a pawnSleepy and shaken
And watching while the blury night
Turns into a very clear dawnDo you love any, do you love none,
Do you love many, can you love one,
Do you love me?Do you love any, do you love none,
Do you love many, can you love one,
Do you love me?One false move
And a secret prophecy
Well, if you hold it against her,
First hold it up and see
That it's one side stone
One side fire
Standing alone among all men's desire
They want to knowDo you love any, do you love none,
Do you love many, can you love one,
Do you love me?Do you love any, do you love none,
Do you love many, can you love one,
Do you love me?And if you wonder
What I am doing
As I am heading
For the sink
I am spitting out all the bitterness
Along with half of my last drink
I am thinking
Of your woman
Who is crying in the hall
It's like drinking gasoline
To quench a thirst
Until there's nothing there left at allDo you love any, do you love none,
Do you love many, can you love one,
Do you love me?Do you love any, do you love none,
Do you love many, can you love one,
Do you love me?"Walk on the blind side"?
Was the answer to the joke
It's said there isn't a political bone
In her bodyShe would rather be a riddle
But she keeps challenging the future

With a profound lack of historyDo you love any, do you love none,
Do you love many, can you love one,
Do you love me?Do you love any, do you love none,
Do you love many, can you love one,
Do you love me?And watch while the queen
In one false move
Turns herself into a pawnSleepy and shaken
And watching while the blury night
Turns into a very clear dawnDo you love me?
Do you love me?
Do you love me?
Do you love me?
Do you love me?
